Message

I would like to cordially invite you to participate in the Annual Scientific Congress 2018 of the Private Medical Practitioners’ Association of Selangor and Kuala Lumpur to be held on 21st and 22nd April 2018 at the Pullman Bangsar, Kuala Lumpur.

“Clinics in Primary Care” continues to be the theme for the Congress. The Organising Committee has arranged a programme covering a wide array of topics which will be interesting to the primary care physicians and the general practitioners. We have invited speakers who are expertise in their own areas to come and present and make it a learning experience for everybody.

Please take the opportunity to come and network with your fellow colleagues and to learn from the experts to update your skills and knowledge.
