

MESSAGE FROM THE ORGANISING CHAIR

It is our great pleasure to welcome you all to another edition of our Annual Scientific Congress (ASC). We bring together this crowd of GPs for enhancing our knowledge and upgrading our skills essential for our practice.

We hope this gathering too can improve our social networking. Most important, we can renew our friendships and camaraderie bonds.

The Organising Committee has brainstormed and chosen topics most relevant and up-to-date for this ASC. We sincerely hope you will find it helpful and beneficial.

We thank you all; delegates, pharmaceutical personnel and organisations for participating and making this event a great success.
